## ALLARD STATEMENT ON AFA ARRESTS

WASHINGTON, D.C. – U.S. Senator Wayne Allard (R-CO) today released the following statement regarding the indictment of 44 individuals for false identification at the Air Force Academy:

“Today’s action by the U.S. Attorney underscores one of our most important homeland security challenges. Whether it be a small business, federal agency or local government, ensuring that employees are legally in the United States and not a security threat is a huge task. I commend the United States Air Force Academy for taking this problem head on and dealing with it with other federal authorities. Today’s action shows we are making progress for our homeland security.”
